IN MOTION IDEA CONTEST 2025

held from 8th May to 10th May 2025,
at NOI Techpark Brunico / Bruneck.

IN MOTION Idea Contest is an industry driven challenge focused on innovative solutions, involving students, school pupils and experts from companies.

Throughout IN MOTION Idea Contest, the student has gained hands-on experience, strengthened entrepreneurial and problem-solving skills, and applied Design Thinking to develop innovative solutions addressing real business needs, with a focus on teamwork and decarbonization in the context of the circular economy.
